craft, taste, appearance, preference, selling price...
none of those things matter.
When it comes to the cost of this bit of wheat flour and egg, deep-fried in oil,

People value it highly enough to wait in line for two hours, roasting in the early-summer sun.
It must be for the degree of satisfaction... no, the sense of accomplish-ment it brings.

THANKS. MISS ME?
In any case, one receives the value of the experience: waiting in line, buying the donut, and consuming it.
Summer
Treats

Well, I didn't mind waiting in line, since it was for work.
HARD AT WORK, I SEE
OH, BY THE WAY.. I PICKED UP A COUPLE OF DONUTS FROM THAT NEW PLACE WOULD YOU LIKE ONE?
I'D LOVE ONE, THANKS!

Her smile...
is priceless.
